

Windows 10 - "OCHN Guest" (Guests)

Our guest WiFi network works just like connecting to WiFi at a hotel.

STEP 1: Click on the WiFi  icon in the system tray (in the bottom right hand corner, next to the clock). Select "OCHN-GUEST, Open" from the menu. Click "Connect."

STEP 2: The guest will be automatically redirected to review our Terms of Use. Click "Accept" to indicate you have read and agree to the terms.

****If you are not automatically redirected, attempt to open up a web browser, such as Chrome, Safari, etc., and you should be redirected.**

STEP 3: The guest is then prompted to populate his or her First Name, Last Name, and an email address. Click “Register” once these fields are complete.

The screenshot shows a web browser window with the URL `1.101.0.1/reg.php?ah_goal=index.html&ah_login=true&url=E2B8F3578D88E9A53591BB4A9D91559BCD2511925520D2F59583C4C6533EC881EFA8EE5...`. The page header features the Oakland Community Health Network logo and the text "Developmental Disabilities - Mental Health - Substance Recovery". Below the logo is the heading "Secure Internet Portal". The main content area is a registration form titled "Registration" with the subtext "Register to access the network". The form contains three input fields: "First Name" with the value "Emily", "Last Name" with the value "Patterson", and "Email Address" with the value "patterson@oaklandchn.org". A yellow "Register" button is positioned below the fields. A note at the bottom of the form states "It might take a moment for registration to complete (* required)". The footer includes "© 2017 Aerohive Networks" and the Aerohive Networks logo. The Windows taskbar at the bottom shows the time as 10:19 AM on 12/20/2017.

The guest is now connected to the network and will be automatically redirected to <http://www.occmha.org/>. The guest’s registration expires in 8 hours, and the guest will repeat this process if they wish to connect again.

The screenshot shows the same web browser window with the URL `1.101.0.1/reg.php`. The page header is identical to the previous screenshot. The main content area now displays a green checkmark icon and the text "Login Successful" in green, followed by "You are now connected to the network." in black. The footer remains the same, including "© 2017 Aerohive Networks" and the Aerohive Networks logo. The Windows taskbar at the bottom shows the time as 10:19 AM on 12/20/2017.
