OCHN Welcomes a New Chief Financial Officer

OAKLAND COUNTY, MI (December 2, 2024) – Oakland Community Health Network (OCHN) is pleased to announce Robert Blumenfeld as its Chief Financial Officer (CFO). Blumenfeld's unique set of skills in financial management, strategic planning, human resources, information technology, risk management, and facilities meaningfully contribute to this key role.

Blumenfeld assumed the financial responsibility of overseeing budget, accounting, financial contracts, forecasting, and financial planning. Blumenfeld comes to OCHN with professional depth and understanding of behavioral health, residential and community-based services, as well as consulting. He previously worked with numerous successful and well-regarded organizations including The Children's Center and Orchards Children's Services.

Blumenfeld received his Master of Science (MS) in Corporate Finance from Walsh College, as well as a Master of Public Administration (MPA) from Wayne State University. Additionally, Blumenfeld is a Certified Management Accountant.

About OCHN

OCHN is contracted by the Michigan Department of Health and Human Services (MDHHS) to lead a provider service network and manage care for approximately 29,000 Oakland County residents at more than 400 service sites across the county. People who receive public behavioral health services through OCHN's provider network include those who have an intellectual or developmental disability, mental health concerns, or substance use disorder. Most of these individuals have Medicaid insurance coverage.

OCHN's goal is to ensure these individuals are aware of and have access to services and supports that will improve their health and quality of life, as well as ensure their engagement in full community participation. Its mission to "inspire hope, empower people, and strengthen communities" reflects an unyielding belief in a "Valuable System for Valued People." Programs and supports provided by OCHN's service network are available at www.oaklandchn.org.
