OCHN Welcomes New Director of Managed Care Administration

OAKLAND COUNTY, MI (March 27, 2025) – Oakland Community Health Network (OCHN) is pleased to announce the appointment of June White as the Director of Managed Care Administration (MCA). White offers valuable insight and operational best practices, which makes her vital to this new role, including her extensive knowledge of Michigan Department of Health and Human Services (MDHHS) policies and regulations, as well as Self-Directed Services.

Under the direction of the Chief Corporate Compliance Officer (CCO), White will be responsible for coordinating the management of OCHN administrative functions in collaboration with the provider network team and all other contractors having direct financial support from the network. In addition, White will manage the day-to-day operations of contract oversight and reporting while establishing overall MCA policies, priorities, perspectives and philosophy ensuring success for OCHN as a Prepaid Inpatient Health Plan (PIHP) managed care organization.

Prior to joining OCHN, White held management positions with the State of Michigan, Great Lakes Water Authority (GLWA) and the Detroit Wayne Integrated Health Network (DWIHN). June holds a Bachelor of Science in Business Administration, with a concentration on information systems from Wayne State University, and a master's in business with a concentration in Auditing from University of Phoenix.

“White’s vast knowledge navigating the PHIP landscape will aid in OCHN’s strategic initiatives ensuring we are leaders of best practices to continue providing stellar mental and behavioral management services to the 30,000 individuals we service across Oakland County”. States Dana Lasenby, CEO at OCHN.

Join us in welcoming June White to our leadership team!

About OCHN

OCHN is contracted by the Michigan Department of Health and Human Services (MDHHS) to lead a provider service network and manage care for approximately 30,000 Oakland County residents at more than 400 service sites across the county. People who receive public behavioral health services through OCHN's provider network include those who have an intellectual or developmental disability, mental health concerns, or substance use disorder. Most of these individuals have Medicaid insurance coverage.

OCHN's goal is to ensure these individuals are aware of and have access to services and supports that will improve their health and quality of life, as well as ensure their engagement in full community participation. Its mission to "inspire hope, empower people, and strengthen communities" reflects an unyielding belief in a "Valuable System for Valued People." Programs and supports provided by OCHN's service network are available at www.oaklandchn.org.
