OCHN Hosts Community Resource and Job Fair

OAKLAND COUNTY, MI (April 3, 2025) – Oakland Community Health Network (OCHN) hosted its second Behavioral Health Resource & Job Expo on April 1, 2025, at Oakland University's Oakland Center.

Sponsored by the Oakland University School of Social Work, OCHN was joined by more than 50 vendors, including those in its provider network, and organizations spanning beyond Oakland County. Students, professors, faculty, behavioral health professionals, and community members gathered to network, explore employment opportunities, and learn about community resources.

As Oakland County's public behavioral health system, OCHN employs almost 300 full and part-time employees and is committed to building a diverse team and fostering an inclusive and equitable culture. We are proud to be an equal opportunity employer that embraces and encourages our employees' differences.

"Working with our community partners, such as the Oakland University School of Social Work helps to promote the behavioral health field and recruit much needed behavioral health professionals," states OCHN's Executive Director and CEO, Dana Lasenby.

To join OCHN's team, visit www.oaklandchn.org or click [here](#) to explore open positions.

For more information on OCHN visit www.oaklandchn.org. For non-emergency Access services, call (248) 464-6363. If you or someone you know needs immediate assistance, call or text the Suicide & Crisis Lifeline at 988.

About OCHN

OCHN is contracted by the Michigan Department of Health and Human Services to lead a provider service network and manage care for approximately 29,000 Oakland County citizens at more than 400 service sites across the county. People who receive public behavioral health services through OCHN's provider network include those who have an intellectual or developmental disability, mental health concerns, or substance use disorder. Most of these individuals have Medicaid insurance coverage.

OCHN's goal is to ensure these individuals are aware of and have access to services and supports that will improve their health and quality of life, as well as ensure their engagement in full community participation. Its mission to "inspire hope, empower people, and strengthen communities" reflects an unyielding belief in a "Valuable System for Valued People." Programs and supports provided by OCHN's service network are available at www.oaklandchn.org.
