

## Our Mission:

- Inspire Hope
- Empower People
- Strengthen Communities

## Our Core Values:

- We promote equality and personal choice leading towards self-directed lives.
- We use language that promotes dignity and respect for all people.
- We are guided by the goals, needs, and desires of people we serve.
- We promote and protect the rights of people served as they seek to achieve their personal life outcomes.
- We lead with integrity, accountability, and transparency.
- We strengthen our community by identifying needs and implementing innovative solutions.
- We collaborate in shared purpose with individuals served, staff, service providers, and the community.

## Our Vision:

OCHN will be a national leader in the delivery of quality integrated physical and mental health supports and services to children and adults with developmental disabilities, mental illnesses and substance use disorders. We respond to our community's needs and empower people to achieve the lives that are important to them.

OCHN does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. Free interpreter services are available. If special accommodations are needed to inquire about services, please contact 248-858-1210.

This brochure is available in Spanish, Arabic, audio, and large print.

## Your First Steps Toward Recovery

- Getting the support you need with recovery can be challenging. Substance Use Disorder (SUD) Health Homes help ease this process.
- SUD Health Homes are designed for individuals with an alcohol or substance disorder, as well as a physical health diagnoses.
- Your team of health care providers support your recovery through coordination of your physical health, behavioral health, and social needs.

Federal, State and/or County funding has been provided through Oakland Community Health Network's Substance Use Services to support project costs.

Developmental Disabilities  
Mental Health • Substance Recovery

## What is a Health Home Program?

A Health Home allows all of your health care providers to coordinate your services, providing you with the best whole health care outcomes.

---

### Am I eligible?

**You may be eligible for a SUD Health Home if you meet the following criteria:**

- Substance use disorder diagnosis
- Physical health condition
- Oakland County resident

SUD Health Home participation is voluntary and does not limit a person's access to services and supports.

## Why participate in a Health Home?

Health Homes offer the extra support and access to services that promote your recovery journey.

---

### SUD Health Home Goals:

- Improve your outcomes and long-term recovery
- Reduce time coordinating physical health and behavioral health care
- Increase access and knowledge to health care that meets your needs
- Provide referrals to community and support services you want and need

## Get the help you need, the way you need it!

If you are interested in enrollment, speak with your case worker or one of OCHN's SUD Health Home providers.

Each SUD Health Home provider offers the same health home program and can answer your questions about program benefits or help you schedule an appointment.
